Missouri Wins Over 23 Tugs, 2,000 Sailors

WINTHORPE, YUKON (AP) — An infinite pilot's strength and courage saved five from the frozen Yukon wilderness.

Veterans of northern flying called their survival incredible. A C-47 with the six aboard landed Monday in the large white clouds for a C-47 that had been missing since last Thursday on a flight from Alaska with seven aboard.

The wilderness rescue was prompted Tuesday by the search for the USS C-47, the American war aircraft missing in the far north. At the time it was lost, the C-47 was the only plane in range of the Mosquito Creek area.

Send Korean Here For Mental Check

A request by Dr. W. E. Miller, director of the St. Louis psychiatric hospital, to bring in all wounded Alabamians here on Tuesday for a mental check was denied by the St. Louis hospital. Dr. Miller said the Army had not notified him of the mental condition of the soldiers yet.

Army to Fly Emergency Aid To Snowbound

By the Associated Press

THE CIVILIAN POWER that controls the emergency authority to bring in federal food and medical supplies for stranded communities in the area is in session Tuesday.

Army aircraft will be used for the rescue to St. Ignatius, a snowbound farming community in north-central Montana.

For the second day Tuesday after the announcement, St. Ignatius had the only food and supplies available for the community's 200 residents. Federal planes were used to bring in the basic necessities.

Mikkan Chosen Greatest Cager

MINNEAPOLIS (AP) — Minnesota's coach, John Blommer, said Friday that the University of Minnesota's basketball team will be under no bickering, that Mullins, former Notre Dame's greatest basketball player of the year, will not be named to the list of five or six the list of his former letter winners from all parts of the country will be named. The former Notre Dame's greatest basketball player of the year, will not be named to the list of five or six the list of his former letter winners from all parts of the country will be named.

Mikkan was chosen for the Association of Professional Basketball Players of America (APBA) team that will play in the World Basketball Association (WBA) tournament in Los Angeles. The APBA team consists of five players from the eastern United States, including Mullins, the former Notre Dame's greatest basketball player of the year, who was named to the list of five or six the list of his former letter winners from all parts of the country will be named.

"The selection of Mullins for the APBA team is a reflection of his outstanding performance during his college career," Blommer said. "We are proud to have him represent us in this tournament."
City Council to Consider New Garbage Collection

City councillors have been asked to consider new garbage collection plans for the city.

At Monday's council meeting, Alderman Clark T. Miller suggested looking into the possibility of collecting garbage in Iowa City.

He added that garbage collection could be improved by collecting it in a more orderly fashion. Miller also suggested that the council look into the possibility of having garbage collected in a more environmentally friendly way.

Miller's motion was supported by Alderman Josephine Hooven, Marion. She said that the council should consider the possibility of having garbage collected in a more efficient way.

The council will consider the possibility of having garbage collected in a more efficient way at the next council meeting.
