TOKYO (AP) — United States forces in Korea said Thursday they had come in contact for the first time with North Korean troops.

The U.S. military said it had crossed the 38th parallel, which separates North and South Korea, and was heading toward the North Korean capital, Pyongyang. The move was seen as a significant step in the ongoing conflict between the two Koreas.

No Formosa Issue
In Wake Parleys,
WASHINGTON (AP) — President Truman said Monday that the United States would not pressure the United Nations to recognize the independence of Formosa, the island off the Chinese coast.

The United States has long maintained that Formosa is a part of China, and Truman's statement was seen as a sign that the United States was not prepared to recognize the independence of the island.

State Schools Need
Building Programs,
Better Pay: Survey

A survey of state school systems in the United States has revealed that many of the schools are in need of building programs and better pay for their staff.

The survey found that many schools lack adequate facilities, and that teachers are often underpaid.

Choose Panacea
Script Winner

The winner of the 1951-52 West Side Story Script contest was announced today. The contest was sponsored by the United States Army, and was held in conjunction with the West Side Story production.

The winner was announced as "The Pink Lady," by Jack Brooking, 21, of Whitewater, Wis. The company staged the play in Fish Creek, Wis. The company stages a musical each at the annual event.

The play was written by Jack Brooking, a dramatic art major, and the leader of the Miners, a group of stage actors.

The title is taken from the story of the pink lady who involved a group of native residents in the play's events.

Korean War Illustrates Fate Of Aggressor

NEW YORK - The events in Korea illustrate once more the fate of the aggressor. There are no exceptions to this rule, which are made for allies, but only for the aggressor. The United Nations, still possessed of its might, met the Korean challenge by overwhelming forces and by keeping in mind the rule that the aggressor may not escape the terrible effects of his attack.

Chubbie Don Woodhouse –
Iowa’s Defensive Bulwark

— Hawk’s Mr. Five By Five

As far as the Iowa coaching staff is concerned, Don Woodhouse is just so much garbage. Woodhouse is Iowa’s national tackle whose 5-foot-9-inch, 220-pound prototype never did show up to play against the grizzled guards.

But as far as Coach Lemir E. Beeman is concerned Don Woodhouse is simply the yard line to the football. Beeman has always been one of the first off the field when a game is over. "Nothing could be more satisfying to me," he said, "than knowing that we have played better than the other team and that we have won."

All of which leads to the conclusion that the Iowa coaching staff is not too impressed with the Iowa defensive line. Beeman is clearly the man who must have had his way with Woodhouse.

"I don’t know why we didn’t have more success against the linemen," Beeman said. "I don’t know if we had the personnel to do it."

But the fact remains that Iowa has not allowed the ball to be passed in the last two games. And Iowa has not allowed the ball to be run.

Purdue Back Also Injured

Iowa's All-Region Battery will lose the services of their two senior backs as Wellman and Faske have been injured in practice this week. Both are expected to be out of action for the next two weeks, according to Dr. Paulsen.

Wellman, who has been in continuous action in the backfield for the last two seasons, was injured during the first practice period of the season.

Faske, on the other hand, was injured during the second practice period of the season.

Both squads loosened up their defense and offense.
