Senate Votes To Increase Postal Rates

WASHINGTON, D.C. (AP Wirephoto) — The Senate early today passed a bill to increase postal rates, effective immediately. The measure, sponsored by Senator Albert Gore of Tennessee, would raise the cost of ordinary mail by 40 cents and special delivery letters by 50 cents. The bill now goes to the House for consideration.

There were no objections to the bill, which was passed by a voice vote.

Gore said the increase was needed to cover the cost of running the postal service and to pay for increased wages for postal workers.

Senator William Bendorf of Massachusetts, the sponsor of the bill, said the increase was necessary to keep the postal service operating.

The postal rate increase is estimated to cost the government $2.6 billion over the next five years.

Nationalists Oust Stalinist Leadership in Czech Purge

VIENNA, AUSTRIA (AP) — The Czechoslovak Communist party, under the leadership of the nationalist party, has oust leadership of the party. The purge began last Monday and continued through Wednesday. The purge was led by the nationalist party and supported by the Czechoslovak party.

The purge was ordered by the new leadership of the nationalist party, which gained control of the party after the purge. The purge was seen as an attempt by the nationalist party to gain control of the party and to remove its opponents.

Possible Murder Plot

ALMOST KILLS GROMYKO

SAN FRANCISCO (AP) — A man who tried to assassinate Russian Foreign Minister Andrei Gromyko, has been arrested in San Francisco. The man, identified as a Ceylonese, tried to assassinate Gromyko with a gun and a knife.

The attack occurred at the Russian Embassy in San Francisco. The man was arrested and is now in custody.

Gromyko was not injured in the attack. The Russian Embassy said the attack was a failed attempt to assassinate Gromyko.

Woman Arrested In Connection With Church Entries

BURLINGTON, I.A. (AP) — A woman was arrested today in connection with entries into a church.

The woman, who was arrested after a tip from the police, was found to be in possession of a church key. She was later released on bail.

The police said the woman had been using the church key to gain entry to the church. She was later charged with theft.

New Steel Curbs Mean Less School Buildings

WASHINGTON (AP) — The steel shortage means that about 1,600 school buildings in this school-year population served by new school-building projects cannot be built until next year — maybe not in time for fall of 1952.

Even some school buildings already started more than two years ago have not been hampered. —

Fleischmann, in a statement released by SHAPE, said that costs were likely to soar if steel and scarce copper prices are not raised, and some existing contracts will be nullified.

The federal office of education pictured that prospect for school building and tenement projects. It called for a not make provision for such buildings under the Johnson-Greenwald-Mayer. The pact itself is little more than another step in the long and the long-ago military outbursts.

No Threat to Miss America

Hollywood Beauty, Maria Montez, 31, Dies in France

Maria Montez Found In Bath tub

PARIS — Ravishing Maria Montez, 31, lovely inhabitant of Hollywood’s Technicolor South Sea Isles and oriental bawbee, was found dead in her bathtub in suburban Suresnes Friday as the result of a tragic accident.

The beautiful actress was found nude, floating face down in the tub by her sister, Anita, who was looking for her when she did not appear for lunch in the 20-room, mansion in which she lived with her husband, French actor Jean-Pierre Aumont.

An investigation showed that the water bath had been almost scalding, and it appears that Miss Montez suffered a heart attack when she stepped into the overheated waters. No autopsy will be performed, so it will never be certain whether she died of the heart attack or drowned.

Doctors and fire department emergency men worked for two hours trying to revive the无力 Baltic after she was pronounced dead.

An escaped who was working on a French film, when he received word of her sister’s death, rushed across Paris in his supercharged car to the mansion where her body had been laid out. The whole family was there.

Mrs. Andrews, a relative, said he was “absolutely prostrate” when he arrived at the house.

Win Miss America Preliminaries

---

Two Southern Belles, Miss North Carolina, Lu Long O.Burnham (left) and Miss Alabama, Jeanne Storms, were the first to ring the bell at preliminaries of the Miss America contest at Atlantic City. Miss O.Burnham was for making the best bathing suit appearance and Miss Storms for talent in a dramatic skill.

**

Sensation of the Miss America pageant at Atlantic City, Miss O.Burnham, 25-year-old Atlantic City girl, won first place in the graduate division of the Thalberg awards last competition, a literary contest sponsored by a former president of the Chicago Board of Trade.

The contest has been open to college graduates and now high grade, in art colleges and universities in the United States and England.

Presentation of the prizes to award winners was held Friday night at a dinner meeting for some 60 nationally-known educators who are attending the fourth annual commodity marketing symposium in Chicago.

President Virgil M. Hatchet spoke before the educators Thursday night.

GRAD STUDENT TAKES FIRST IN ESSAY CONTEST

Cloyd D. Christensen, G, Iowa City, has won first place in the graduate division of the Thalberg awards last competition, a literary contest sponsored by a former president of the Chicago Board of Trade.

The contest has been open to college graduates and now high grade, in art colleges and universities in the United States and England.

Presentation of the prizes to award winners was held Friday night at a dinner meeting for some 60 nationally-known educators who are attending the fourth annual commodity marketing symposium in Chicago.

President Virgil M. Hatchet spoke before the educators Thursday night.

The Daily Iowan, Saturday, Sept. 4, 1954 — Page Three
The article is too long to be transcribed in its entirety, but it appears to be a sports report discussing various baseball games, including the Brooklyn Dodgers winning a series against the New York Giants. It also mentions the Tigers winning the first game against the Yankees, and the Yankees'-colored Hit. There are mentions of players such as Bobby Brown, Johnny Mize, and George Hurch. There is also a note about John Claussen Heldt, a player who is remembered for his 22nd victory. The article ends with a mention of the Giants winning against the Braves and a note about the Brooklyn Dodgers' successful season.
CHICAGO (AP) — Kenneth Taft Wilson, Big Ten athletic commissioner, said Friday night that expelled army athletes would not be eligible to play in the Big Ten for at least two years.

Taxable Value
Of County Utilities
Exceed $5 Million

Johnson county utilities showed a
total taxable valuation in 1951 of
$5,623.540.

The figures, released by the
county auditor, show that
utilities in Iowa City were valued
at $1,724.426; that in the county's
cities, towns, and villages at
$2,948.593, and that in rural areas at
$1,950,521.

Electrical power companies had
the highest valuation with a total
of $1,531,822.

Telephone and telegraph utilities
in the county were valued at
$250,184 for the Rock Island and Cedar
Rapids and Iowa City railway system.
SUI Rush Week Means Work

Lamp Lighter

RUSH WEEK at SUI may mean a flurry of parties and other social events for pledges, but for the activities it means a lot of planning and cleaning. Replacing light bulbs at the Sigma Chi house (left) is Ward Phillips, A3, Des Moines. Many fraternity members like Phillips every fall return to the campus weeks before school starts to complete the various pre-rush ing tasks.

A 4-Way Stretch

There's always a paint job to be done when fall rolls around, and that's just what these members of the Alpha Epsilon Pi house (right) are finding out. Pictured here are (left to right): Joe Fischer, A3, Fairfield, Ill.; Charles Spielberg, A3, Atlantic, la.; Lou Hurville, A3, Des Moines, and Fred Tilton, G, Des Moines.

A Clean Sweep

IF THERE'S ANYTHING members of any organization point to, it's the history and memories of past activities. Recording the highlights of last year are these members of Sigma Phi Epsilon, Nu Tro('(left), P2, Ottumwa, and Phi Left, A5, Iowa City.

A PLEDGE may be doing this job in about two weeks, but right now Bob Festen, C4, Waterloo, (right) is busy cleaning the Phi Kappa Sigma house. Formal rushing for men students begins Sunday, with registration today.

Recording the Past

KP Duty for Some

LIKE MOST OTHER energetic students, fraternity members like to eat, and these active members are taking no chances of not having enough food and snacks around when rushes arrive. Pictured in the left washing those extra dishes at the Delta Tau Delta house are (left to right): Tom Smith A3, Sac City; Bruce Clark, A2, Ida Grove, and Jim Bullard, A3, Jefferson.
Red Radio Hints Rejection of UN Site Proposal

TOKYO (Saturday) — Red China radio Friday night that the Communists were moving the Empire of Japan. The announcement followed the broadcast from Moscow of B. Ridgway's proposal that the Korean delegates be moved from Kasesong.

No official comment was made by the United Nations, but it was suggested that the Red Radio statement was an indication of their rejection of the proposal.

Dr. William J. Knaap, United States special envoy, arrived in Tokyo on Saturday night to confer with Dr. Frank T. Bowers, United States minister to Japan.

Red Radio's broadcasts are broadcasted in the Far East and in Europe through the Red China radio network.
