USSR Proclaims New H-Bomb Test

FIRST Blast

At 8:29 a.m. yesterday, a new missile, the first of its kind, entered the skies over the north Pacific. It was the first H-bomb test of a series of tests that will be conducted by the Soviet Union. The test was conducted at a site near the Kamchatka Peninsula.

The rocket was launched from a site near the Barents Sea, and it took off at a speed of 20,000 miles per hour. The test was conducted in a closed area, and there were no reports of any damage to the surrounding area.

The test was a success, and the Soviet Union has announced that it will continue to conduct similar tests in the future.

Davidson To Head Faculty Council

Cy Clark, professor of political science, has been appointed to head the faculty council. He replaces Professor J. H. L. Smith, who has retired after 30 years of service.

Clark was chosen by the faculty council to succeed Smith, who has served as dean of the College of Arts and Sciences for many years.

Clark has been a member of the faculty for 12 years, and he has served as chairman of the Department of Political Science.

The faculty council is responsible for the administration of the university and the selection of the president.

Three Fraternities Will Help Collect For United Fund

Three fraternities will help collect for the United Fund this year. They are the Delta Tau Delta, the Phi Kappa Psi, and the Sigma Alpha Epsilon.

The fraternities will hold a series of events on the campus, including a bake sale and a car wash.

The United Fund is a nationwide organization that raises money for educational purposes.

As the world waited with bated breath for the launch of a new satellite, the first in a series of tests, the United States launched a new satellite into orbit.

The satellite was launched from Cape Canaveral, Florida, and it is expected to circle the earth for several weeks.

The satellite will be used to test the capabilities of various communications systems, and it is expected to have a variety of uses.

The satellite will be tracked by ground stations located around the world.

It is expected that the satellite will be in orbit for at least six months.

The Russian Tractor copied American brands right down to the least detail. As the tractor started up, the workers planted the spindles of their clothes and the men's hair stood on end. The tractor's steering wheel was held by a woman, and the man in charge of the tractor's engine was a woman. "Yes," said the man. "That's just a very simple tractor."

The Russian tractor was a model factory. It was interesting to see how the workers were treated. The workers had the same rights as the owners, and they were paid equally. The tractor was operated by a woman, and the engine was run by a woman. The tractor was a symbol of the women's rights movement in Russia.

Braves Win Again on Adcock's Single, 1-0

Hawks Rated Eighth in Poll

By THE ASSOCIATED PRESS

The Iowa Hawkeyes stayed in the eighth spot for the second straight week in the Associated Press football poll. Oklahoma and Michigan State remained tied at the fourth spot, although Michigan State gained a half point. Two of the top teams will clash this week, with Michigan State hosting Oklahoma.

The top two teams will face each other on Saturday, with first place voted in the polls. The Blue Jays had an early hit out and made four errors in the bottom of the first inning.

The schedule of automatic A to F - Thursday, Oct. 6, 12:30 p.m.; Minnesota Oct. 27, 12:30 p.m.; Nebraska Oct. 7, 12:30 p.m.; Nebraska Oct. 19, 12:30 p.m.; Nebraska Oct. 31, 12:30 p.m. for each date on the schedule.

The score of 8-3 was one of the few errors. The game ended in the seventh inning of the second game.

Both teams started with New York on Friday, but the Tigers will be the home team on Saturday. They will have two more days to work out before their first game.

On the same night, the Tigers will be playing with visiting New York. New York's starting pitcher is expected to be Bob Friend and the Tigers' pitcher is expected to be Don Moss.

MILWAUKEE - While riders in the second game of the series, Happy the Blue Jays, observed some circumstances which fell into the hands of New York. New York's pitcher, who made a surprisingly good hit in the second game, had a couple of chances to score.

In the first game, the Blue Jays were hit by a hard ball and the Tigers' hit was a well-timed double to center.

Despite the Blue Jays' efforts, the Tigers scored one run in the first inning. The score was 4-0 and the game ended in the seventh inning.

The Blue Jays had their chances in the seventh inning, but they were unable to score.

The Blue Jays were also out of the box in the second game. They finished with their best team ever and the Tigers had the best team in the league.

The Blue Jays played well in the second game, but the Tigers had the better team in the series. The Tigers scored two runs in the second game and the Blue Jays scored none.

The Tigers' starters were Berto Merck, Bill Monahan, and John Case. The Blue Jays' starters were Bob Friend, Bob Friend, and Bob Friend.

How Do You Rate at the 'Size-Up Moment'?'

That naming gives your friends, customers or business associates a free pass — yes, a free pass — to the store. Successful men of affairs find it pays to wear clothes that are freshly cleaned and pressed off the floor. That's why so many of them call 6177.

PAY STATIONS
FOR YOUR CONVENIENCE

How close is your nearest Iowa-illinois pay station? It may be in the drugstore right at your own corner, or a nearby shop — just a few minutes away. We've authorized these establishments to accept the payment of your gas and electric bills for your convenience. Make use of this added service. Many times it's easier for you to stop at the pay station in your own neighborhood. In this way you can benefit with savings when you obtain your prompt payment discount.
SUL Graduate 1935 to Return
To Pay Tribute to Former Prof

By JAMES MAGNUS
Assistant city editor

Many a man has achieved prominence in his field through the magical influence of another man. Such was the case of Charles E. Stewart, who took his degree to pay tribute to the memory of his teacher.

He was, in fact, head of the Physics department of the University of Iowa, and he was the first professor of Physics in the university.

The title of this lecture is, "The Nature of Science," and it will be given by Professor Stewart. He will deal with the subject of science as a whole, and its relation to human nature.

Professor Stewart has been a leader in the field of science for many years, and he is well known for his excellent work in the field. He has published several books on the subject, and his lectures are eagerly awaited by his students.

Professor Stewart has also been active in the field of science education, and he has served as a consultant to several educational institutions.

The lecture will be given on Thursday, at 7 p.m., in the Pentacrest Social Room.

give

Thirty-nine thousand dollars is really only a small sum of money when you divide it among the more than 7,500 families in the Iowa City, University Heights and Coralville area. Pledge your fair share when the solicitor calls on you during the Community Chest Fund Drive.

NOW through OCT. 12

VISITING NURSE ASSOCIATION . . . a service to every household that needs care and counsel . . . a service provided 21,000 times every year . . . the Chest helps those unable to pay or any of the costs.

BOY SCOUTS OF AMERICA . . . nearly a thousand Boy Scout groups from the scouting program . . . open to every boy in Iowa City and the area.

GIRL SCOUTS OF AMERICA . . . numbering more than a thousand, girls have their own summer camp programs, weekly meetings, and professionally directed activities supported by the Chest.

IOWA'S CHILDREN'S HOME SOCIETY . . . finds homes and boarding homes for babies and problem children in conjunction with the work of the county welfare department.

CHILDREN'S MILK FUND . . . provides milk in schools, eyeglasses and hearing aids for children who would otherwise go without these essentials to learning and living.

UNITED SERVICE ORGANIZATION . . . the USO provides entertainment and care for all service men, some 500 from Johnson County included. The Chest sends this fund to the United Fund of Iowa.

SALVATION ARMY . . . has available furniture, clothing and household goods for any home in sudden need. The Army's rehabilitation work and social service is nationwide as well as local.

Mountaineers To Hold Talk On Mid-East

Michael Hagopian will open the Triad Advenrue Film Series at 8 p.m. Monday, The Hilltopper Ballroom, Fourth and Main Streets.

Hagopian, who left his job as director of the American University Institute for Advanced Studies in Beirut, Lebanon, last year, will discuss the Middle Eastern crisis from the viewpoint of the political science department of the American University of Beirut.

Hagopian will talk on the political science department of Beirut and Lebanon, and state of the Middle East, as of now, and the role of Lebanon in the Middle East.

The Hilltopper Ballroom will be open for refreshments until 7:30 p.m.

Should Older Women Neglect Beauty? Emphasis Stress on Wit and Charm

An anthropologist who has been studying the behavior of women in America, Dr. Donald Wantl of the University of California, Berkeley, will discuss the influence of age on beauty and charm.

Dr. Wantl's paper will be presented at the annual meeting of the American Association for the Advancement of Science, which is being held in Honolulu, Hawaii.

The conference will be held on the campus of the University of Hawaii, and will be open to the public.

Math Meet Attracts 50

The 25th annual Conference of Teachers of Mathematics will be held Oct. 17, 18, in the Capitol.

With its theme, "The Mathematics Curriculum: Current Research and Controversies," the conference is expected to attract some 500 college and high school teachers.

Mathematics teachers from all over the country are expected to attend the conference.

The keynote address will be given by Dr. Charles N. Wilson, University of Illinois, on the "Curriculum of Mathematics in the Undergraduate Program." Dr. Wilson is currently the president of the American Mathematical Society.

In addition to the keynote address, there will be a series of panel discussions on various aspects of mathematics education.

The conference will also feature a number of workshops and seminars on specific topics related to mathematics education.

The registration fee for the conference is $50 per person, which includes all meals and accommodations.

SUI To Observe Pharmacy Week

An event to be held on the campus of the University of Iowa, SUI, will be held Oct. 17, 18.

This year's theme is "Improving the Quality of Life Through Pharmacy." The event will feature a number of lectures, workshops, and seminars on various aspects of pharmacy.

The keynote address will be given by Dr. James R. Martin, University of Iowa, on the "Role of the Pharmacist in the 21st Century." Dr. Martin is currently the dean of the College of Pharmacy.

In addition to the keynote address, there will be a series of panel discussions on various aspects of pharmacy.

The registration fee for the conference is $50 per person, which includes all meals and accommodations.
