Two Special Trains To Take SUI Students To Rose Bowl

"Iowa's Orbit" in the form of two student trains is scheduled to transport about 1,000 SUI students to the Rose Bowl game, it was announced Friday by Len Flander, L2, Iowa City, student body president.

The entire trip will cost \$176 per person, including tax. This fee will pay for round trip railroad transportation, all meals in diners, taxi service, five nights in a Los Angeles hotel, and a 90-mile motor tour of the Pueblo Indian country around Santa Fe and Albuquerque, N. M.

The trip is sponsored by the Student Council and is approved by SUI officials.

The "Explorer" and "Vanguard" trains will leave Friday, Dec. 26, making stops in Chicago, Iowa City and Des Moines.

Students interested in making the trip will be able to pick up application forms in their housing units and can make reservations on Nov. 19, 20 and 21 between 2 and 8 p.m. in the East Lobby Conference Room of the Iowa Memorial Union. A \$5 deposit must accompany this advance reservation.

Coeds will be able to pick up permission blanks when they sign up for the trip. These blanks must be filled out by parents of the girls saying that they approve of the trip.

The complete trip to Los Angeles will be made in 42 hours on Santa Fe streamliner cars.

The trains will stop in New Mexico for the motor trip which will be followed by a chuck wagon bar-b-que dinner in the desert. The cost of this excursion is included in the original \$176.

In Los Angeles, the students will stay at the Biltmore and Alexandria Hotels for five days. During this time, they will have a chance to visit Disneyland, Knott's Berry Farm, and the residential areas surrounding the city. They may sign up for these activities on the trains, but such trips are optional and are not included in the base rate.

For the return trip, the trains will leave Los Angeles on the evening of Friday, Jan. 2, and will go to San Francisco. A 6-hour sight seeing tour there will include San Francisco's, Mission Dolores, Golden Gate Park, Presidio, Fisherman's Wharf and other places of interest.

From Northern California, the trains, spaced 30 minutes apart, will travel east going through Raton Pass in Colorado the highest point on the Santa Fe line. Sunday morning the trains will stop for two hours in a town not yet determined so students can attend church.

The group will arrive in Iowa City on Monday, Jan. 5. The trains will not continue on to Chicago since SUI classes resume Tuesday Jan. 6.

Personnel on the trains will include religious advisors, student and faculty advisors and possibly doctors.

Plans Announced For Two Alumni Rose Bowl Trains

Two Hawkeye Specials will leave Iowa the afternoon of Dec. 25, Loren Hickerson, executive director of the SUI Alumni Association said Friday.

Reservations on the alumni-sponsored trains are open to any citizen of Iowa, Hickerson said. They are not restricted to alumni only.

Features of the trip will be stops at Juarez, Mexico; a Western style breakfast in Phoenix, Ariz.; a

chuckwagon lunch on the Arizona desert; a day in San Francisco; a stop at the Grand Canyon; a bus tour to Santa Fe, N.M.; and a visit to New Mexico missions and Indian Pueblos.

The trains will return to Iowa City the mid-morning of Jan. 6.

Applications for the trip, costs of which start at \$259 per person, are being accepted now by mail or in person by the SUI Alumni Association, Iowa City.

Weather

Wintry weather is in store for Iowans this weekend, and today looks like a damp, gloomy day for football. The weatherman says Iowa City is in store for moderate temperatures — somewhere in the 50s — and intermittent showers throughout the day. In extreme northwest Iowa, the showers will change to snow late this afternoon or tonight. The outlook for Sunday is decreasing cloudiness and cooler temperatures.

K Promises Reds Better Life Coming

MOSCOW (AP) — Premier Nikita Khrushchev has promised the Soviet people a better life in his 7-year drive to outstrip capitalism in industrial production.

The Soviet citizens read Friday in newspapers about his program with its strong emphasis on heavy industry, on work and on expansion in every field of Communist endeavor.

They heard about it on Radio Moscow. Teams of commentators explained how Khrushchev in the next seven years proposes to boost national income by from 62 to 65 per cent, cut the work day to six hours, the work week to five days and still outproduce even the United States in many areas of the economy.

The Soviet program, which envisages an 80 per cent boost in gross industrial output by 1965, will lean on a new labor force of millions of school-age youths.

Linked to his 7-year plan, Khrushchev has developed a program of "work while you learn" that will cut deeply into the education period of Soviet children.

Local 'Givers' To Open Fund Drive Monday

The Community Givers campaign for 1959 funds will begin Monday with a goal of \$68,234.

The first three days of the week-long drive will be carried on through local businesses, with residential areas to be canvassed during the latter part of the week. SUI dormitories and offices will not be canvassed.

First Year

This is the first year of operation for the local Community Givers of Iowa City, Coralville and University Heights, Inc. It was organized this year to replace the Community Chest campaign, which had met its goal only once in the past several years. Community Givers has no affiliation with the national organization of either United Fund or Community Chest.

The 15 agencies participating in this year's community Givers drive are: American Hearing Society, American Homefinding Association, American Red Cross, American Social Hygiene Association, Arthritis and Rheumatism Foundation, Boy Scouts, Girl Scouts, Children's Milk Fund, Iowa Children's Home Society, Iowa City Visiting Nurse Association, Iowa Association for Mental Health, Johnson County Association for Retarded Children, Jackson Medical Research Laboratory, Salvation Army, and United Service Organization.

Short Last Year

This is the first time the American Red Cross has participated in a federated drive in Iowa City.

Last year's Community Chest campaign fell more than \$9,000 short of its \$39,249 goal, in spite of repeated extensions which carried the drive from Oct. 12 to Dec. 31.

Chairman of the current Community Givers drive is Robert Osmondson, Iowa City attorney.

Hurray For Iowa!

TWO OF THE LITTLE FANS of the Fighting' Hawks, Irene and Walter Ruby, were on hand at the pep rally on the lawn of Old Capitol Friday night, and they came with their parents all the way from Kansas City, Mo., to cheer the Hawks on. About 500 attended the rally. Al Coupee, director of KRNT-TV in Des Moines, told the fans how proud the people of the state are of SUI, in scientific fields as well as football fields. Alpha Epsilon Pi fraternity put on a skit, and three of Iowa's cheerleaders led cheers while the pep band played.—Daily Iowan Photo by Scott Clark.

Jolliffe Sees Possible \$2 Hike In 1960

No immediate rent increases are contemplated for married student housing at SUI, Elwin T. Jolliffe, vice-president of business and finance at SUI, said Friday.

The question of rent increases was raised in connection with a report made Friday by Jolliffe to the State Board of Regents on financing the new Hawkeye apartment project for married students.

In the report Jolliffe said that a monthly rate of \$64.50 for apartments in temporary barracks and quonset facilities might be required to finance the project. This rate would represent a \$2 increase over present rents and would follow a \$10 increase approved last summer.

Jolliffe said Friday that the \$2 increase was used for illustrative purposes, and that no formal request to the Board of Regents for rent increases would be made before mid-1960 at the earliest.

He said that if any further increases on barracks rents are needed, they would be closer to the \$2 figure, rather than \$6 as had been anticipated earlier. Present financing plans anticipate net revenue from the barracks to continue at the present level for a maximum of six years, and with the \$2 increase, this period of time could be reduced to five and one-half years.

Jolliffe said that because of the age and condition of the barracks the University could not expect rental revenue from them for many more years.

Goal Of \$7,000 — Campus Chest Drive Slated

SUI's annual Campus Chest drive will open Wednesday as the familiar booths pop up at strategic spots on campus.

The goal for this year's 3-day campaign is \$7,000, or approximately 75 cents per SUI student.

Booths, which will be manned by SUI YWCA members, will be located at Schaffer Hall, Iowa Memorial Union, Main Library, and in the Pentacrest area.

Campus Chest solicitations of off-campus students will be made by fraternity and sorority pledges.

Students living in married student housing and in professional fraternities are urged to make their donations at one of the booths on campus due to a ruling that prohibits solicitations in these areas.

Eight organizations will benefit from this year's solicitations. They are: World University Service, receiving 30% of the total amount collected; CARE, 10%; Save the Children Federation, 10%; the Cancer Society, 10%; the Heart Fund, 10%; the United Negro College Fund, 10%; Crusade for Freedom, 10%; and the SUI YWCA, 10% for the furthering of campus activities.

Interim Committee OKs \$13,500 For Rose Bowl Float

The Iowa Legislative interim committee, meeting here Friday, appropriated \$13,500 for the construction of an Iowa Rose Bowl float.

The appropriation is \$3,500 higher than the \$10,000 granted for building Iowa's last Rose Bowl float in 1956.

Construction of the float will be handled by the Iowa Development Commission. Ed Storey, head of the development commission, said Friday the float will be designed by the W. L. Ramsey Co., a Davenport advertising firm.

Storey said plans for the float will be submitted to the development commission on Nov. 21, at which time this year's theme will be made public. He was not able to say as of Friday whether the float will be built in Iowa—or on the West Coast.

White House Hints Ike Will Request Gas Tax Increase

WASHINGTON (AP) — Administration officials indicated Friday President Eisenhower is almost certain to ask Congress to increase the federal gasoline tax to superhighway construction won't strain the budget.

They also disclosed that Budget Director Maurice Stans and Postmaster General Summerfield conferred this week on the possibility of urging another increase in postal rates.

The search for additional revenue has been spurred by the prospect of a record peacetime budget deficit of more than \$12 billion in the current fiscal year ending next June 30.

Officials hope the budget which Mr. Eisenhower sends to Congress in January will indicate a substantially lower deficit for the 1960 fiscal year which begins next July 1. The impact of any revenue increases provided by Congress at this next session wouldn't be felt until fiscal 1960.

The Gomulka Regime — U.S. Is Becoming Wary Of Poland's Liberalization

By J. M. ROBERTS AP News Analyst

Two years ago the United States gave limited approval to the Gomulka regime in Poland.

Gomulka was credited with trying to put Poland in somewhat the same position as Finland with relation to the Soviet Union.

Peaceful coexistence was the order of the day, with an increase in the civil rights of the Polish people.

Free speech and religious tolerance seemed to be making some headway.

The negative results of outright revolution had just been made apparent by the Hungarian fiasco.

Gomulka appeared to be moving in the Tito direction, but without the provocations which have disturbed Yugoslav relations with the Soviet Union.

At first the Soviets showed signs of cutting off Poland's economic water. Contracts for ships under construction were canceled.

To help what it believed to be a limited liberalization movement, the Eisenhower Administration persuaded a reluctant Congress to give Poland some aid from surplus stocks — food and cotton — and some machinery.

It's been hardly more than a token — about \$200 million worth, but a help, nonetheless.

The liberalization movement, however, has seemed to be losing ground. There have been conflicts with religious and liberal elements. The Polish Government has frequently seemed to be going farther than was necessary in supporting the International Communist propaganda campaign.

Warsaw's promotion of the idea of a demilitarized zone in Europe including Germany is a case in point.

Gomulka undoubtedly was put under heavy pressure during his recent visit to Moscow. He joined in some of Khrushchev's latest bombast. On his return home he said United States imperialism is the principal danger to peace.

The question now is how much of this acquiescence in the Soviet position is forced or whether some of it is gratuitous.

The Administration still seems inclined to be lenient and understand him in a different way.

There has always been some suspicion that his liberalization program was designed to prevent a Polish revolution rather than as a truly progressive movement.

Gomulka always has been a Communist. Washington no longer forgets as easily as it once did that the ways of Communists are devious.

Good Listening — Today On WSUI

FOOTBALL ALL DAY: from 9:30 a.m. when Big Ten Football Highlights are heard until 8 p.m. when Football's Fifth Quarter will conclude.

WSUI will offer the most complete coverage of Iowa and national football in the state. Big Ten Highlights will include excerpts from last week's games: Michigan State-Indiana, Ohio State-Purdue, Michigan-Illinois and last but not least, Iowa-Minnesota.

CUE BEGINS AT 10 a.m. with interviews of the student boy and girl who will be awarded by the student council as "dates" during the campus chest drive.

Rose Bowl-slanted interviews with an Iowa clown, with law professor Updegraff on the legal problems of sharing a ride to the Rose Bowl; and interviews with Loren Hickerson, Len Flanders and Buzz Graber regarding the Pasadena trip, accommodations and tickets for the New Year's Day classic.

Also to be heard from on Cue are people associated with today's game and half-time entertainment as well as the regular Cue features: music, news, road and weather reports and rock and roll. Esthetes will have their brief inning too when actor Vincent Price and jazz impresario Leonard Feather are interviewed. Just before game time, reports direct from the football field of battle and Sports Roundtable will return all to reality.

KICK OFF AT 1:30 p.m. with pre-game color developed at 1:15 p.m. will be covered along with every play in the game by Paul Eells and staff. More than a dozen other Iowa stations will be fed the WSUI play-by-play report and the half-time interviews.

POST-GAME DEVELOPMENTS will include reports of scores from around the nation on Tea Time Special immediately after the game and until 5:30 p.m. Flying footballs and flatted fifths may make a curious combination; but that's what results when scores and jazz are combined.

A MUSICAL INTERLUDE in football freudism will occur at 6 p.m. when the triple-threat team, Bach, Beethoven and Bartok take over with a half-time barrage of concertos.

FOOTBALL'S FIFTH QUARTER at 7:30 p.m. will be followed by the Saturday night record party conducted by Tom Keeton.

S.U.I. Student Rose Bowl Tour

BE THE FIRST IN "IOWA'S ORBIT"!
SPONSORED BY S.U.I. STUDENT COUNCIL

Round Trip Rail Transportation, Iowa City-Los Angeles
Stainless Steel Lightweight Leg-Rest Chair Cars
Stop-over in San Francisco
90 Mile Bus Trip Through The Pueblo Country
Chuck Wagon Dinner Near Santa Fe
All Meals And Tips While On Train

Five Nights Hotel Accommodations in Los Angeles
Chaperones — Religious Advisors —
Medical Services Provided
All Baggage, Tips and Transfers
Parade of Roses and Rose Bowl Game Transportation
New Year's Eve Dance

All For \$176⁰⁰ Including Taxes

WHAT'S INCLUDED?

- Round trip railroad ticket is included on the basis of joining the special train in your choice of Chicago, Iowa City, or Des Moines, in the latest type stainless steel, light-weight, streamline equipment. The "Iowa's Orbit" will carry luxurious Santa Fe leg-rest cars plus special lounge and dining cars. This tour will terminate in Des Moines and Iowa City **ONLY** on January 5, 1959.
- All meals and tips are included on the train for the entire round trip, except for lunch in San Francisco.
- Hotel accommodations will be provided in the heart of downtown Los Angeles. These accommodations will be on the basis of your choice of two, three and four sharing a room. There will be a limit to the number of rooms which can accommodate two persons.
- All baggage tips, transfer of students and one medium-sized piece of luggage between the railroad station in Los Angeles and the hotels, by taxi, is provided.
- All transportation on January 1st from the hotel to the Parade of Roses and to the Rose Bowl game, and the return to the hotels is included.
- A six hour stop in San Francisco, including a sight-seeing tour of San Francisco, Mission Dolores, Golden Gate Park, Presido, Twin Peaks, Nob Hill, Fisherman's Wharf, and a motor trip across Oakland Bay Bridge, is included for all passengers.
- 90-mile drive through the Pueblo Indian country between Lamy and Albuquerque, N.M., including a Chuck Wagon barbecue near Santa Fe.

WHAT'S "ON YOUR OWN"?

Since each student will have his own choice of restaurants and menus, the meals in Los Angeles are not included.
Personal expenses such as telephone calls, wires, laundry, and refreshments are not included. Check with the hotel cashier upon departure.
All students taking "Iowa's Orbit" will be able to purchase vouchers for their Rose Bowl Game tickets at the SUI Athletic Ticket office.
A seat at the Parade of Roses is not included since the \$7.00 cost is prohibitive. There is ample room for viewing the parade along the six mile route.

CAN I GO WITHOUT HOTEL ACCOMMODATIONS?

On previous Rose Bowl tours, students from Michigan State, Ohio State, Wisconsin, and Northwestern, have found that it is undesirable to stay in outlying districts since the majority of the Rose Bowl activity is in downtown Los Angeles near our hotels. Visitors will find traffic and transportation facilities congested.

If you have carefully considered the above conditions and are positive of securing lodging in the Los Angeles area, you may make train reservations without our hotel accommodations. This plan does not include: hotel accommodations in Los Angeles, transfer of students and baggage tips.

PERMISSION FOR COEDS

ALL COEDS MUST HAVE WRITTEN PERMISSION FROM THEIR PARENT OR GUARDIAN MAILED TO THE OFFICE OF STUDENT AFFAIRS.

Forms for this permission can be obtained when deposit is made, or at the Office of Student Affairs.

DON'T FORGET...

Extra money for gifts, films, snacks, etc., is always needed the most when you run out. Be sensible — budget enough for a good time.

WHAT'S NOT INCLUDED?... HOWEVER...

By special arrangements, sightseeing tours will be sold on the train for all of those students who wish to take advantage of tours of the greater Los Angeles area including: Santa Monica, Beverly Hills, and Hollywood. Another tour will be offered to Disneyland, Knott's Berry Farm, and other points of interest in Southern California. Accident and baggage insurance will be made available on an optional basis at the time of making your final payment.

WHAT'S THE SCHEDULE?

Plan to leave Iowa City about 4 p.m. Thursday, December 25. Arrangements can be made to join the tour in Chicago, Iowa City, or Des Moines. You will arrive in Los Angeles Sunday morning, December 28. After your five night stay in Los Angeles, you will leave early Friday evening, January 2, with a six hour stop the following day in San Francisco, and arrive in Iowa City the afternoon of January 5.

HOW DO I MAKE RESERVATIONS?

Reservations can be made in the East Lobby Conference Room of the Union on November 19, 20, and 21, between the hours of 2 and 8 p.m. A \$5.00 DEPOSIT WILL BE REQUIRED AT THIS TIME!

Final payment of balance due must be made on Thursday, Friday, Monday or Tuesday, December 4, 5, 8 and 9, between the hours of 2 and 8 p.m. IMPORTANT! Payments, check or cash, are requested to be in the exact amount due. Make all checks payable to "Iowa's Orbit."

Students must present student ID cards for each student passenger at the time of making reservations and final payment.

Full refund will be made if cancellation is received at reservation desk in the Union before 5 p.m., November 24th. After that date, there will be a service charge of \$5.00.

Each individual must make his or her own reservation-deposit; however, at the time of making the final payments, one student may make the final payment for only as many student passengers as he or she wishes to room with, providing the student has the following material for each passenger:

- Deposit receipt
- Final payment monies in exact amount
- Student ID card

If students wish to have adjoining seats on the trains, then the final payments for those students must be made at the same time. All seats on the train will be reserved for the entire roundtrip.

WHAT ABOUT DETAILS?

Train schedules, departing times, etc., will be issued at the time of final payment.

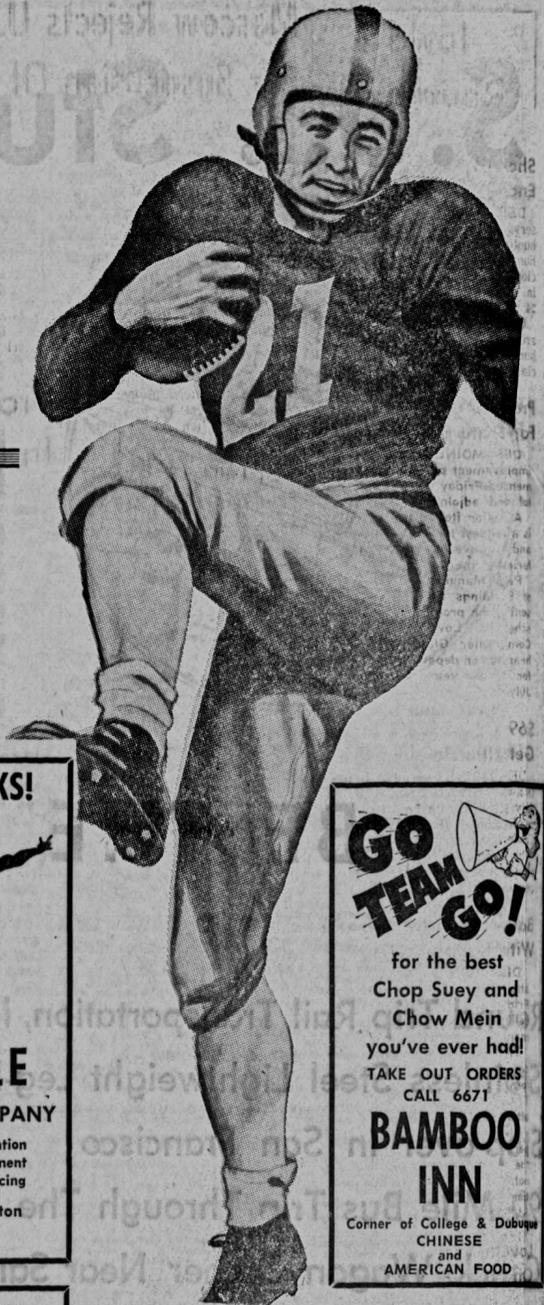

WHAT DOES THE UNIVERSITY SAY?

The rules and regulations of the University governing the conduct of students as set forth in the "Code of Student Life" will be in effect. There will be one adult chaperone for every 80 students. Alcoholic beverages in any form will not be permitted on the trains.

The "Iowa's Orbit" is being sponsored by the SUI Student Council under the auspices of the State University of Iowa.

Short-zone Hunting Ends Nov. 23 And 24

DES MOINES — The Iowa Conservation Commission reminded hunters Friday that pheasant hunting in the short-zone counties closes Nov. 23, and quail hunting in short-zone counties ends Nov. 24.

Other seasons nearing an end are those for bow and arrow deer hunting and for squirrels. Both close Nov. 30.

Propose Improvements For State Buildings

DES MOINES — A \$456,500 improvement project was recommended Friday for the state Capitol and adjoining buildings.

A major item in the program is a request for \$100,000 to repair and improve the looks of the exterior of the Capitol.

Pete Manning, superintendent of Buildings and Grounds, presented the program to Gov. Herschel C. Loveless and State Comptroller Glenn Sarsfield at hearings on departmental askings for the two years beginning next July 1.

\$69 Campaign Didn't Get Him Re-elected

DES MOINES — John Ropes of Onawa reported Friday he spent only \$69 in his unsuccessful bid for re-election to the Iowa Commerce Commission.

In a report to the Iowa secretary of state's office, he said he received no campaign contributions.

Ballots Can Be Marked With Ballpoint Pens

DES MOINES — The Iowa attorney general's office ruled Friday that a ballpoint pen or indelible pencil can be used to mark an election ballot.

The opinion was written by Oscar Strauss, first assistant attorney general, at the request of T. C. Poston of Corydon county attorney of Wayne county.

The opinion also said a ballot perforated by a person marking the ballot, whether accidental or not, "is probably an identification mark and should be rejected."

Loveless Opposes Tax On Farm Machinery

DES MOINES — Gov. Herschel C. Loveless said Thursday he will oppose any step to exempt sale of farm machinery from the 2 percent Iowa sales tax.

The governor's comment came in a state government budget hearing at the Statehouse.

Tax officials estimated that sales tax collections on farm machinery may run \$3 million a year.

"They would have to get such a bill past the man with the black pencil," the governor said, indicating he would veto the bill.

UN Votes For Unified Korea

UNITED NATIONS, N. Y. (AP) — The U.N. General Assembly overrode Soviet objections Friday and once more called for free elections to bring about a unified democratic Korea.

The Assembly approved 54-9 with 17 abstentions a 13-nation resolution urging Communist North Korea to agree to the elections under U.N. supervision. Nepal was absent.

The resolution was sponsored by the United States and 12 other nations who fought in Korea under the U.N. flag. The "no" votes were cast by the Soviet bloc. The division was the same as in the Assembly last year.

Moscow Rejects U.S. Plan For Suspension Of A-Tests

GENEVA (AP) — Moscow clearly rejected Friday night an American plan for controlled suspension of nuclear weapon tests. This left the three-power talks as far away from agreement as on their opening two weeks ago.

In Russia's first public comment on the talks since the plan was submitted, Moscow radio accused Britain and the United States of "clumsy maneuvers" to prevent an immediate, permanent cessation of atomic and hydrogen bomb tests.

The broadcast reiterated the Soviet claim that the first task of the Geneva negotiations is to reach agreement on test suspension rather than on an interna-

tional control system to police such a ban.

Western sources said the United States and Britain regard this as a completely upside-down approach to the problem. This argument has been the main stumbling block to any progress in the talks since they opened here Oct. 31.

The American plan contained provision for a double commitment. Under it the atomic weapons powers would obligate themselves both to suspend tests and to work for a control system.

Highway 6 Bypass To Open Today

A ceremony to officially open the first phase of the Highway 6 bypass around Iowa City will begin at 10 a.m. today on the new bridge east of the junction of Highways 1, 6 and 218.

Iowa City Mayor Louis Loria will cut the ribbon and open the by-pass.

State Senator D. C. Nolan and State Representative Scott Swisher, both from Iowa City, have been invited to the opening.

Other officials at the ceremony will include: Iowa City City Manager Peter Roan; SUI Administrative Dean Allan W. Dakin, and Iowa City Chamber of Commerce President Robert Stevenson.

The west phase of the by-pass, extending from the west end of the present highway to a point west of Coralville, is yet to be completed.

The first phase of the by-pass, south and east of Iowa City, extends from the Scott church corner to the junction of Highways 218 and 1 in southwest Iowa City.

Travel on the by-pass began last week, already relieving heavy traffic on Burlington Street and Muscatine Avenue.

Tickets Available For 2nd Concert

Tickets for the second University Symphony Orchestra concert of the season will be available beginning at 8 a.m. today. SUI students and faculty may get free tickets by showing their IDs or staff cards at the Information Desk in the Iowa Memorial Union.

The orchestra will perform Wednesday at 8 p.m. in the Main Lounge of the Union, under the direction of James Dixon, music instructor.

WRIGHT TO LECTURE

Dr. Conrad Wright of the Harvard Divinity School will address the Humanities Society of SUI and the public Monday at 8 p.m. in the Senate Chamber of Old Capitol.

Carpenters Vote Authority To Withdraw From AFL

ST. LOUIS (AP) — Leaders of the Brotherhood of Carpenters and Joiners of America were given authority today to withdraw the 839,000-member union from the AFL-CIO, but President Maurice A. Hutcheson said secession isn't the right thing to do.

Just after the secession resolution was passed at the national convention by 2,000 delegates in a standing, shouting demonstration with only one dissenter, Hutcheson said: "We do not want to withdraw from the AFL-CIO, and we will not except as an absolute last resort."

The council has ordered Hutcheson to appear before it and explain charges of misconduct and corruption in the union made by the Senate Rackets Committee.

Parolee Accused Of Slugging, Robbing Upper Iowa U. Professor

DES MOINES (AP) — A 22-year-old Des Moines man was arrested Friday and police said he admitted he robbed an Upper Iowa University professor.

Officers identified the man held as Jerry Dean Bell, a Des Moines parolee.

Dr. James T. Sparkman, 37, head of the Upper Iowa department of education, told authorities he was drugged, slugged and robbed of about \$200 early Friday.

Sparkman was charged with intoxication. He pleaded innocent and was freed after posting \$10 bond.

Bell was held under \$5,000 bond on a charge of larceny from a person. He waived to the grand jury when arraigned before Municipal Judge Howard W. Brooks.

No Sign Of Crew In Wreckage Of Air Force Plane Crash

OGDEN, UTAH (AP) — An Air Force C-119 transport plane developed trouble in one engine on a flight to nearby Hill Air Force Base Friday, but the eight men aboard parachuted.

Officials at Hill AFB said the plane crashed near Swan Lake, Idaho, about 90 miles north of here.

Air Force spokesman said there were no crewmen or passengers in the wreckage found hours later.

Air Force officials at Hill said the plane had eight men aboard when it left Brooks AFB, Tex., on a flight to its home base at Hill.

Col. Frederick Betz, information services officer at Hill said the plane radioed the crew was abandoning the crippled aircraft shortly after it passed over Fort Bridger, Wyo., 110 miles northeast of here.

13 Hurt As Nine Cars Deailed In Montana Train Accident

BLAIR, Mont. (AP) — Nine cars of a transcontinental passenger train plunged off mainline tracks Friday near this prairie ghost town.

Seven of the Great Northern Railway cars, with many passengers still in their sleeping car berths, toppled on their sides and slid down a slight embankment. Two more slewed across twisted rails.

At least 13 persons were hospitalized, but none was believed seriously hurt.

About 100 passengers were aboard the Seattle-to-Chicago Western Star as it rolled across northeastern Montana toward the North Dakota border.

Status Of Berlin Will Change, Says Khrushchev

LONDON — Soviet Premier Khrushchev Friday night announced intentions to make definite proposals for altering the status of divided Berlin.

During the day a three-truck American Army convoy was held 8 1/2 hours outside Berlin by Soviet soldiers. This was the first such harassment since Khrushchev demanded Monday that Western troops pull out of West Berlin.

Khrushchev said the Soviet Union does not intend to fight the West, and he would make his new Berlin proposal to the Western wartime Allies of the Soviet Union.

The theme of attacking what he called American imperialists was laced through his entire speech. He urged the Red Army to be always ready to smash aggressive forces and said the size of the army is being maintained. But he insisted that Russia will negotiate to settle differences with other nations peacefully.

His speech followed up his declaration last Monday that the Western allies must leave Berlin. The U.S. answer later in the

Army May Be Cut By 30,000 Men

WASHINGTON — The strength of the U.S. Army ground force may be cut by 30,000 men within the next few months.

This developed Friday from news conference statements of Gen. Maxwell D. Taylor, Army chief of staff when asked about proposed reductions in Army and Marine manpower.

Taylor noted that the proposals were not new—they were part of the Administration's budget proposals early this year—and added "There has never been any suggestion that we were not going to execute the President's budget."

The cut was held off because of a crisis in the Middle East last summer.

Big 10 Champions Face Mighty Buckeyes Today

OSU Favored; Hawks Seek 6th Loop Win

By LOU YOUNKIN
Sports Editor

Ohio State, Big Ten champions three of the last five years, faces the team with the other two conference flags during the span today at 1:30 p.m. at Iowa Stadium when Coach Forest Evashevski's Iowa Hawkeyes tangle with Woody Hayes' Buckeyes before a sellout crowd of 59,400.

The game, which was sold out Sept. 20, was expected to be the big contest of the year in so far as the Big Ten championship goes, but Iowa, undefeated in seven games, wrapped up its second first-place finish in three years last week with a 28-6 win at Minnesota while Ohio State was held to a 14-14 tie by Purdue.

Iowa 6-0-1

Iowa sports a 6-0-1 season record and a 5-0-0 league mark, while Ohio State stands at 4-1-2 for the year and 2-1-2 in the conference. The Buckeyes' only loss of the campaign was a 21-0 licking administered by Northwestern two weeks ago. The Hawkeyes defeated the Wildcats here Oct. 25 by a 26-20 score. Air Force played Iowa to a 13-13 tie for the Hawks' only blemish.

The Buckeyes have been made slight favorites with most forecasters seeing an Iowa letdown after last week's events. An Iowa victory, however, will set a new school record of six conference wins in a season. The clubs of 1921 and 1922 and 1956 won five Big Ten games.

Ohio State has gone three weeks without a victory—a rare occurrence in the past years of Buckeye supremacy in the Big Ten. Wisconsin began the string Oct. 25 by holding the Bucks to a 7-7 tie; then came the loss to Northwestern and the tie with Purdue on successive Saturdays.

Kremblas Out

To add to the woes of Hayes is the loss of star quarterback Frank Kremblas for today's game. The senior signal caller suffered a rib separation and twisted knee in the Boiler-maker contest and reports from Columbus are that Kremblas is definitely out of the Iowa game. Center Dan Fronk has been sidelined during much of practice this week by an arm infection, but doctors say he will be ready for action today.

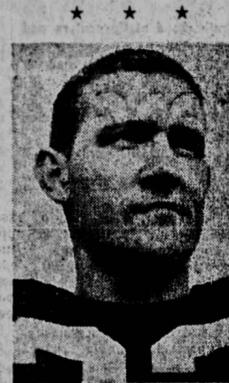

Iowa, unhampered by injuries for the most part all season, will be at full strength. Captain John Nocera, who was injured in the Indiana game and has been unable to go at full speed since, has been

running hard in practice this week and should be at 100 per cent efficiency for the fray.

Biggest Line In U.S.

The Buckeyes have one of the biggest lines in the country—the eleven probable starters average 213 pounds. The Hawks probable opening eleven will average 206 pounds per man.

Up front Ohio State holds a 4-pound per man weight advantage—226 pounds to 222. The advance of Bill Lapham, 235 pounds, and Mac Lewis, 305 pounds, to starting roles at center and right tackle, respectively, brings the weight average up from 204 pounds. Lapham has replaced Lloyd Humphreys, a 206-pounder, while Lewis has replaced John Sawin, a 211-pounder.

An expected feature of today's game will be the hard line smashing of Ohio State fullback Bob White. White was almost single-handedly responsible for the Buckeyes' 17-13 victory over Iowa last year in the contest that decided the conference championship—and also wrapped up the mythical national championship for Ohio State.

Gained 66 of 68

White gained 66 pounds on a 68-year scoring march late in the fourth quarter, including the touchdown, to erase a 13-10 Iowa lead.

The junior fullback is the main cog in Hayes' offense again. In seven games, White has carried the ball 161 times for 572 yards—he has yet to be thrown for a loss. Iowa's top ball carrier in number of carries is halfback Ray Jauch with 64 attempts good for 488 yards.

Don Clark and Lee Williams are slated to start at the halfbacks for the Bucks. Clark was hurt at mid-season a year ago and has not regained his former speed and agility yet in 1958. Williams is scheduled to start over Dick LeBeau, a man

who played 60 minutes last week against Purdue.

Fields For Kremblas

Sophomore Jerry Fields, a 203-pounder, is expected to fill in for the injured Kremblas at quarterback.

The Buckeyes are strong in the line with the defensive stalwarts being left end Jim Houston and right tackle Jim Marshall. The two juniors combined to score both Ohio State touchdowns last week.

Houston, 211 pounds, blocked a Purdue punt which Marshall picked up and ran 21 yards for a score, and later Houston tackled a Boiler-maker back hard causing a fumble which was picked off in mid-air by Marshall who lumbered for the other TD. Marshall is a 230-pounder.

Converted Tackle

Dick Schafrath will open at right end for the Bucks. A senior, the 212-pounder was switched to end from tackle this season.

Two hundred forty-four-pound Jim Tyrer will be at left tackle with Dan James, 248 at left guard and Ernie Wright, 242, at right guard. The lightest man in the Ohio State line is 186-pound center Fronk.

Hayes has not substituted by units in previous games this year, but has plenty of beef on the bench that he can put into action at any time. The biggest tackle Birtho Arnold who makes the scales groan at 309 pounds. Other reserve Ohio State linemen are Oscar Hauer, 209; Ernie Spychalski, 229; Al Crawford, 231; Jim Matz, 221; Dick Michael, 217; and Russ Bowermaster, 203.

Second Team Backs

With LeBeau in the No. 2 backfield are Ralph Gage at quarterback, Tom Matte and Jim Herbstreit (who weighs only 158 pounds) at halfbacks and Jim Lindner at fullback.

The Hawkeyes will counter with

the nation's top offense. This week's NCAA figures show the Iowans have averaged 395.7 yards a game to take the top spot in the U.S. by 2.7 yards a game over Army.

Randy Duncan, the Hawks' fabulous passer, is almost a cinch to break his own Iowa passing record today. In 1957 he hit 70 of 119 passes and in the seven games to date he has 69 of 118. If Duncan's first pass is completed, he will be even with his mark of a year ago.

8 TD Tesses

Eight of Randy's aeriels have gone for touchdowns with his passing yardage total standing at 914. Only four of his pitches have been picked off by the enemy.

Duncan is the No. 1 man in the Big Ten in the overhead attack statistics and ranks fourth in the nation in the same department. Twenty-two yards rushing gives the Des Moines senior 936 yards, good for sixth place in the U.S. on total offense.

A tremendous set of halfbacks who can, and have, gone all the way from anywhere on the field makes the Iowa attack doubly dangerous. Of 25 touchdowns scored this year, 17 have come on plays covering over 10 yards and 14 of these have come from outside the 20-yard line.

Jauch and Furlong

Jauch and Kevin Furlong will probably be the starting halfbacks with Bob Jeter and Willie Fleming right behind them. Jauch is the team's top ground gainer and is averaging 7.6 yards per rushing attempt. Furlong has gained 260 yards for a 4.2 yard average, Fleming 312 yards and an average of 8.2 yards every time he carries the ball and Jeter has picked up 306 yards for a 6.6 rushing average.

Don Horn, the flying fireplug at 5' 9", 191 pounds, will open at fullback. The Detroit junior has rolled up 247 yards on 62 attempts for a 3.9-yard average. Nocera and John Brown have been working at the No. 2 fullback slot with Nocera holding the edge over the junior speedster.

Evashevski has a wealth of fine ends with juniors Don Norton and Curt Merz getting the starting nods. Merz leads the team (and the Big Ten) in pass receptions with 21 for 314 yards and two scores. Norton has scored three TDs on 18 catches good for 282 yards.

3 Alternate Ends

Jeff Langston and Bob Prescott are alternate unit ends with sophomore Al Miller also in the running. The three have snagged 10 passes among them for 77 yards and have scored two touchdowns. Iowa's interior line, a pleasant surprise this season, will have its toughest task of the season before them today in the big Buckeye forward wall.

Standout guard Gary Grouwink, a 210-pound senior, leads the Hawkeye linemen. As the other Iowa forwards in 1958, Grouwink has attracted little attention although playing heads up football all the way.

Grouwink's running mate at guard will be Hugh Drake, 193-pound senior who was elevated to the starting unit a week ago for his sparkling play against Michigan.

Teaming with Lewis at tackle will be 216-pound senior John Burroughs. A rugged performer, the Washington, D. C. native is a hard man to take out of the play.

Lapham will be at center with Humphreys right behind him. The reserve guards and tackles, all who have done veteran work this year are: Tackles Charlie Lee and Sawin and guards Don Shipanik and Gerry Novack. Shipanik is probably the lightest lineman in the conference at 169 pounds.

Today's battle will be the 21st between the two schools. Ohio State holds the lead in the series with 11 wins to 7 for Iowa with two games ending in a tie. The Hawks' last win over the Buckeyes was a 6-0 squeaker in 1954—the game that put Iowa in the Rose Bowl for the first time.

Ohio State has not scored on Iowa's home ground since 1927 when the Buckeyes pulled out a 13-6 decision. But have played here only twice since then, losing in the upset of the year in 1952, 8-0.

Iowa vs. Ohio State

The Iowa-Ohio state series started in 1922. Iowa has won seven games, lost 11, and tied two with the Buckeyes. The last victory for the Hawkeyes was 6-0 in 1956. The win clinched the Big Ten championship, and sent the Hawks to the 1957 Rose Bowl.

It's Official: Iowa Bowl Bound

CHICAGO (AP)—Conference Champion Iowa's expected selection as Big Ten representative in the Rose Bowl football game next New Year's Day was announced Friday by K. L. (Tug) Wilson, conference commissioner.

Wilson said Iowa was named in a mail vote of conference schools. As in the past, the vote was not disclosed.

Iowa last Saturday clinched the Big Ten title by defeating Minnesota 28-6 for a 5-0 conference mark with Ohio State to face today to complete the Hawkeye conference season. The Hawkeyes finish their overall campaign against Notre Dame a week from today.

This will be Iowa's and Coach Forest Evashevski's second trip to the Rose Bowl. Iowa represented the Big Ten in the 1957 Rose Bowl contest, defeating Pacific Coast Conference champion Oregon State 35-19.

Iowa's likely opponent this New Year's Day will be California. Other teams in contention are Oregon State and Southern California.

California last Saturday defeated UCLA 20-17 to regain the lead in the Rose Bowl race. The Bears of California now have a 4-1 PCC record against 4-2 for Oregon State which Saturday lost to Washington State 7-0.

If California opposes Iowa for the Rose Bowl title, it will give West Coast representation to a team which was beaten earlier in the season by one of the Big Ten's most disappointing teams.

Michigan State which today opposes Minnesota still seeking its first Big Ten triumph this fall opened with a 32-12 trouncing of California.

Deacon Jones Wins Loop Title As Iowa Harriers Finish 2d

CHICAGO (AP)—Iowa's Charles (Deacon) Jones, national collegiate crosscountry champion two years ago, finally won his first Big Ten harrier title Friday.

Jones finished some 10 yards ahead of Michigan State's Crawford Kennedy in 20 minutes, 18 seconds, good time for unseasonable 70-degree weather which prevailed during the 4-mile event in Washington Park.

The team title went to Michigan State, its seventh in nine Big Ten championship meets. The Spartans scored 43 points, the same as when they won last year.

Second in the team standings Friday was Iowa with 59 points, followed by Indiana with 64, Illinois with 77 and Minnesota with 103. Wisconsin and Northwestern competed but lacked full teams. Ohio State, Purdue and Michigan failed to enter.

In the central collegiate conference crosscountry meet which immediately followed the Big Ten contest defending CCC and NCAA champion Notre Dame was dethroned by Western Michigan.

Players Not Considering 3d League

NEW YORK (AP)—The major league baseball players' attorney said Friday his clients would not consider jumping to a renegade third major league if one were formed.

J. Norman Lewis, speaking on behalf of the major league players, said they would not be adverse to either expansion or to the creation of another big league. It would have to come, however, with the blessing of the club owners.

"The players at their meetings, have discussed both possibilities of expansion," Lewis said. "While they have taken no definite stand, basically there would be no opposition since either move would create more jobs. The players stressed, however, they would cooperate fully with the present owners."

Lewis' statement followed one by Mayor of New York Richard Wagner's baseball committee that it planned to organize a third major league which would function, if necessary, outside organized baseball. The announcement brought a quick reply from Commissioner Ford Frick.

"Baseball is not going to be sledge-hammered," was Frick's comment. "The threat to raid the two majors for players is indeed serious. I can't conceive players joining and risking their pension benefits."

Ben Oosterbaan Quits; Elliott New Michigan Grid Boss

ANN ARBOR, MICH. (AP)—Young Chalmers (Bump) Elliott was appointed head football coach at the University of Michigan Friday, succeeding Bennie Oosterbaan, his boss for two years. Oosterbaan, 52, stepped down just before the end of what seems destined to be Michigan's worst season since 1936. The mild-mannered giant, an All-American end at Michigan in 1925 and 1927, had held the post 11 seasons.

The blond Elliott looks more the age of one of his players than a head coach at 33. He was a star halfback on Michigan's unbeaten Big Ten champions of 1947.

Oosterbaan will take over in another capacity in the Michigan athletic department after the season's end Nov. 22. "I'm leaving for a number of reasons," said Oosterbaan.

"My family is one," he continued. "My wife has been after me for years to get out. It's an uneasy life and I have a desire to lead a more normal existence."

"There's a lot of pressure from inside you. Even when you win there is pressure and you start thinking of the next game. When you lose it is worse."

Elliott, who was Oosterbaan's top aide and backfield coach, reportedly will receive \$16,000 annually. Oosterbaan received \$19,000 and is expected to take a slight pay cut in his new position.

Oosterbaan will act as a liaison agent with the alumni, students and secondary schools.

Mississippi State Poses Big Problem For Louisiana State

By JACK CLARY
Associated Press Sports Writer

Does Louisiana State need incentive to defeat Mississippi State tonight in one of the top games on the weekend's college football schedule? Not on your life, brother.

The facts speak for themselves. By winning the Bayou Bengals can: (1) Virtually assure themselves Southeastern Conference representation in the Sugar Bowl; (2) Keep themselves undefeated with a 9-0 mark; (3) Lay solid claim to retain the No. 1 ranking in the Associated Press poll of sportswriters and broadcasters; (4) Avenge a 14-6 loss to the Maroons last year; (5) All but lock up the SEC title. If they defeat Tulane next week the conference title job is done.

Bowl's Beckon

There are number of bowl bids at stake this weekend and a few conference titles to be decided as the season hits the four-fifths mark.

Iowa (No. 2) won the Big Ten title last week and the Rose Bowl trip. Now it has a grudge battle with Ohio State (No. 16) in its

drive for the national championship. The Hawks haven't allowed Ohio State within their 30-yard line in the Ohioans last two visits. They also have a 17-13 defeat to avenge from last year at Ohio State.

Slim Chance

Auburn (No. 4) meets Georgia in an SEC game. The Tigers have a slim chance for the conference crown. Auburn has a 4-0-1 SEC mark and an LSU loss in its next two games would give the defending national champs the title provided they keep winning. There is no bowl in sight for Auburn because of an NCAA violation that put them on indefinite probation.

Oklahoma (No. 6) entertains Missouri in a battle for the Big Eight title and the host spot in the Orange Bowl. The Sooners huddled Colorado two weeks ago in a similar test and are favored to do the same to the Tigers in a game televised in the Big Eight region.

Down in the Southwest, ninth-ranked Texas Christian defends its share of the Southwest Conference lead against Texas. The other

half, Rice (No. 17) meets conference foe Texas A & M. If both leaders win their date the following weekend should decide the champion and a Cotton Bowl slot.

No Bowl Bids

Three of the top 10 play with no bowl bids in prospect. Third-ranked Army meets Villanova in its final tune-up before the Nov. 29 Army-Navy game. West Point superintendent Lt. Gen. Gar Davidson said no bowl for the Cadets, regardless of the season's success.

The two other clubs are in the Big Ten. Fifth-ranked Wisconsin plays Illinois in an attempt to solidify second place in the conference, while Purdue (No. 8) meets 13th-ranked Northwestern in a regionally telecast game.

Mississippi (No. 7), named as a bowl possibility for the Cotton, Orange and Gator Bowls, meets SEC foe Tennessee. The Air Force Academy (No. 10), with a possibility of playing in the Cotton or Gator bowl if it retains its undefeated, once-tied record, and gets an OK from the Air Force brass in Washington, meets Skyline Conference leader Wyoming.
