Old Sidewalk On Its Way Out

WORKMEN ARE barely noticing the 10-year-old sidewalk on the west side of Old Capitol as they prop the way for construction of a new model. The old walk, laid at the time of the cornerstone ceremonies in 1948, is being replaced with a new sidewalk. The walk west of Old Capitol was replaced two years ago—Dailian News photo by Jerry Smith.

House Group Vetoes Highway Bill Truce

Rayburn’s Compromise Voted Down

Reed影林 1-Cent Per Gallon Tax Hike

WASHINGTON — House Ways and Means Committee Chairman Sam Rayburn’s recommendation to a conference committee was approved by House Speaker Speaker John McCormack, D-Mass. The recommendation was offered as part of the conference on the Senate-passed bill to provide $16.2 billion to federal highway and mass transit funds.

The conference, by a 63-1 vote, substantially increased the Senate-approved 4-cent gasoline tax, a 2-cent tax on license fees for public and private vehicles and a 1-cent per gallon tax on motor fuels. The conference, by a 111-22 vote, approved a recommendation by Chairman Rayburn that the Senate-passed bill be amended to provide $2.1 billion to dye United States in its highway program.

In Move To Boost Power Output—

White Sox Get Kuluszewski

CHICAGO — Chicago’s White Sox traded with Detroit for the 4th highest batting pitcher in the American League.

The White Sox, instead of making a trade for the American League’s 3rd highest batting pitcher, decided to deal for a pitcher who hit the ball 36 times.

In making the deal, a tie for the American League lead in scoring was broken by the Chicago White Sox. The Chicago White Sox also smashed a record by allowing the Detroit Tigers to score 10 runs.

The White Sox, who hit the ball 36 times, are now leading the American League in hitting with a .334 average. The White Sox also lead the American League in scoring with 72 runs, and the American League in batting with a .300 average.
