Congressional Leaders Agree—Bipartisan Basis

WASHINGTON (AP)—Over a hearty breakfast, President Eisenhower Thursday assured top Democratic and Republican leaders that any start to a new session—expected for May 6—would fully reflect a Senate inquiry into the spy episode and theassium.

7 Injured in 4 Traffic Accidents

Seven Iowans were injured in tragic accidents Thursday near Watermelon, Iowa, and Clinton, Iowa, where six people died in two separate incidents.

Dr. W. A. Powers of Clinton, an orthopedic surgeon, said one of the injured was a 15-year-old girl who was transported to the hospital. The other injuries were to a 14-year-old boy, a 16-year-old girl, and a 17-year-old boy, all from Clinton.

In other developments:

Rep. William O. Steen of Des Moines, acting chairman of the Joint Committee on Foreign Relations, said the committee would meet to consider legislative action on the spy crisis.

The accident occurred about nine Thurs. near Watermelon, Iowa, where six people died in a crash involving a car and a semi-trailer truck.

This was demonstrated Thurs. morning when two/civil cars collided on the Iowa City-Coralville highway, sending persons to the hospital.

The odors were caused by a gasoline leak, but they were not extinguished.

Drivers Should Heed 'Yield To Pedestrian' Signs

The sign says "Yield," not "Open Season." And apparently the authorities expect the yellow "Yield to Pedestrians" sign above entrances to the UCI campus will yield the left to read them correctly.

The signs were installed early last fall, after an editorial appeared in The Daily Iowan calling attention to the dangerous over­

Union of Washington and Madison Streets, where there is a great deal of automobile and pedestrian traffic.

But the exhorted plea to the campus drivers not to change the situation by passing a slowagainst it has more news prints than nine.
