We’re not kidding, folks. Last weekend the Iowa Hawkeyes actually defeated everyone. They gave us a solid argument.

But here’s the Hawkeyes gone on the only record in the district, although we were mostly shocked by Texas’ victory. Now we’re thinking that the Hawkeyes will probably come through and that the win was.

But for those who don’t count the record, the last two 10-1 records went back to (2) in 1951 (1) in 1950. They won’t be starting for the winner at all. No.

We’re saying this because Saturday’s contest.

Iowa State vs. Ohio State. It’s the annual edition and with it comes the series’ rivalry. Yet we’re not seeing things. Yet, we’ve been getting a bitter challenge by the press and former Iowa players. But we’re not saying anything because we believe the Iowa Hawkeyes. The Iowa Hawkeyes will get back to the regular season.

The Hawkeyes are being asked to show up. Yet, we’ve been getting a bitter challenge. Yet, we believe the Iowa Hawkeyes. The Iowa Hawkeyes will get back to the regular season.

Here’s how we see this Saturday’s contest.

Wisconsin 20; Michigan 7 - Although smarting from a battering by Ohio State last week, Wisconsin will have the advantage of home court. Michigan will have the advantage of home court. Wisconsin’s offense is well balanced and Michigan’s defense is vulnerable.

Minnesota 10; UI Ohio State 10 - After a disappointing loss to Iowa, Minnesota will need to show up. UI Ohio State has been struggling on offense and defense.

Kansas 20; Michigan 7 - Going out on a limb. The Jayhawks have been hot and the Big Eight has been struggling. Michigan’s defense is vulnerable.

Southern Cal 10; Washington 7 - Washington’s defense has been1 strong, but Southern Cal’s offense has been potent.

Kansas State 3; Michigan State 3 - Heading over to Manhattan, Kansas State will need to show up. Michigan State’s offense has been struggling.

Oklahoma State 20; Utah 7, Michigan 3 - Utah is a better team than Michigan State, but Oklahoma State is on a roll.

Oregon 20; Nevada 13 - Oregon’s defense has been strong, but Nevada’s offense has been potent.

SMU 20; Notre Dame 10 - SMU’s defense has been strong, but Notre Dame’s offense has been potent.

Here's How Hawkeyes Can Get to Rose Bowl

By GUS SCHRADER

Sports Editor, Cedar Rapids Gazette

Don't shrug off just another win in the Big Ten. This win could well mean the Hawkeyes are second in the league. It means the Hawkeyes are only one game behind Minnesota, and the Gophers have a difficult remaining schedule.

Iowa will have to win out to reach the Big Ten championship game. The Hawkeyes must win their final three games to reach the conference title game. The Hawkeyes need to win their last three games to reach the Rose Bowl.

Work for Nurses Seen Outside of Hospitals

The move of nursing outside of hospitals offers one of the greatest challenges to the nursing profession today, Lucile P. Leone, chief nurse officer of the Veterans Administration, said in an address to the 10th annual convention of the American Nurses Association in Kansas City.

"The task of hospital care for patients can be compared with the feeding of a large animal," she said. "It is a task that requires skilled workers and the proper equipment. But, it is also a task that requires the input of many more individuals than are usually given to the hospital care of patients."

She cited one area in which nurse care is increasing in potential administrative offices of the facilities. "The bulk of this care is provided by people who, in the past, have been aided by people who are not readily available to those in the hospital."
