Hughes Attributes Victory To Well-Timed Campaign

By BILL PEMBLE Staff Writer

"The campaign was a perfect storm," said Democrat Harold Hughes yesterday. "We had a perfect storm of circumstances - a well-timed campaign, a well-financed campaign, a well-organized campaign." Hughes, now a member of the House, said voters were seeking change, and he was the change they wanted.

Hughes, who lost the race for governor to Republican First District Rep. Harold Hughes, said he was disappointed with the outcome. "I thought we had a good chance of winning," he said.

The race was close, with Hughes losing by only 5,000 votes. Hughes said he was encouraged by the fact that he was able to get 40 percent of the vote in the near-miss.

Another Democrat, Mike DeWine, said he was pleased with the outcome. "We have a strong message that we can take to the people," he said.

The victory was a blow to Republicans, who were hoping to make gains in the Senate.

Final Iowa City Election Returns

ROMNEY BOOSTS '68 HOPES, BUT DOES NOT CARRY SLATE

DETROIT (UPI) - George Romney, running in a new front in the battle for the presidential nomination, was boosted Wednesday by the results of the Iowa City election. Romney's win is seen as a significant upset, especially given the large field of candidates running.

His victory is seen as a significant upset, especially given the large field of candidates running for the nomination.

Yanks' Ralph Terry Doesn't Believe in Intentional Walks

By FRANK SCK
AP Sports Writer

If you're still wondering why Ralph Terry picked up Willie McCovey with five bases hit last Wednesday, you don't know Ralph Terry.

The Yankee right fielder just believes in the opening walk, a baseball strategy that led to the Los Angeles Dodgers' 1-0 win over the San Francisco Giants in the deciding National League pennant game.

Terry has only had five in five seasons on balls in his last nine games since he has had a five-game streak against the Dodgers. He is 0-0 for 1-0 against Terry this season.

Terry has been perfection on the mound against the Giants and is 3-0 this season in National League play.

There was a game in Bavarian Ligue this season in which Terry pitched a no-hitter against the rival French Giants. The Giants, led by their starting pitcher, Terry, were on the verge of winning another important game in the National League.

Terry didn't throw a pitch to McCovey in the deciding game against the Giants, as he was in the first game against the Dodgers.

The Dodgers took a 9-3 lead in the first inning against the Giants, and Terry was not even in the game at that time. He was not even in the game until the third inning, and Terry didn't throw a pitch to McCovey in the deciding game against the Giants.

But Terry didn't throw a pitch to McCovey in the deciding game against the Giants.

The Yanks' four TDs were moved by the Giants, but the Giants were not moved by the Yankees.

Most managers prefer to walk a batter in a base hit situation, but it's not always the best strategy. The Yanks' four TDs were moved by the Giants, but the Giants were not moved by the Yankees.

Yankees' Terry can be trusted in any situation.

Terry trows a pitch to McCovey, and the Giants are on the verge of winning another important game in the National League.

EAGLE SHIRTMAKERS PROUDLY ANNOUNCES A DACRON/COTTON OXFORD THAT WILL NOT PILL!

Oh, given time a short-necked man with a heavy beard could pill any oxford cloth, they're that soft. But until just recently even Little Lord Fauntleroy with a beard could have pulled a Dacron/cotton Oxford cloth with one curl tied behind him. Which is why we didn't put out any of them. **Sure you know what tipped means? it's when the fabric gets roughed up into little pills.** Well, Du Pont has a brand new type DACRON that resists pill. It came out about a year ago, but we waited until Greenwood Mills, the weavers who make our cotton oxfords produced a DACRON/cotton Oxford they were proud of, a really luxurious lofted Oxford. And that brings us up to now. We are making Eagle Shirts of this new material in both a Tabnap/collar and a button-down collar. At about $8.50.
