**Electronic compatibility – the second division in the American market**

That’s what Southern States University (OII) calls it. But the term could be the cornerstone of a new machine by IBM.

IBM is considering a new computer, and the problem is with the compatibility of the machines.

IBM’s new computer, now under development, will be the first machine of its kind to be offered in the American market.

The company, which has been in poor health and battling a succession of problems, is now considering a new approach to the problem of electronics.

**Navy Backs Korth On Apparent Rift**

**Atomic Powered Carrier Said Caused Resignation**

WASHINGTON (AP) — Secretary of Defense Robert McNamara said today that the Navy’s decision to retire the atomic powered cruiser was not the result of a rift between the Navy and the原子 powered cruiser.

The decision was made after the ongoing dispute between the Navy and the Atomic Energy Commission.

The Navy has expressed the design of the ship as a “drastic reduction.”

**Should SULowans Try ‘Love by Machine’ Others Are**

**What’s Going On Here?**

Young Dems Vote Tonight

On Strawn Impeachment Bill

DURING early morning hours, a group of young Democratic Congressmen met in the Oval Office to discuss a possible move to impeach President Strawn.

The group, which included many of the party’s rising stars, was divided on the issue.

Some members believed that impeachment was a necessary step to prevent Strawn from leading the country into disaster.

Others felt that such a move would only further damage the party’s image.

Wheat sale: JFK's Salt for cold war

"Well, it's your business!"

"No, you feel bad in Russia."

"I don't feel bad in Russia."

"Then all this about Russian prisoners of war."

"Of course not. Occasionally your husband's leave absence is caused by one of the prisoners (now that we're in Vietnam) or at least by a three-day reshuffle of the baggage department, but never would it be in the United States, because we have better arrangements for prisoners than Russia has, particularly for White Russian prisoners."

"And as for the other three things..."

"I'm not too sure that I have any comment to make on your purpose in coming to the States."

"I'd like to get away from the office..."

Scheuerman Expends Speed, Rebounding To Be Better

For Harriett Hingman, Sports Editor

"Good going," Scheuerman, the senior guard, said after a workout on Monday. "I think we're going to be better than we were last year. After all, we have one of the best players in the country — Jimmy Brown."

Brown, a 6-8 sophomore forward from Kansas, is expected to be one of the key players for the Spartans this season. His speed, agility, and shooting ability make him a force to be reckoned with on the court.

The Spartans are looking to improve on their 16-13 record from last season and make a deep run in the NCAA Tournament. With Brown leading the way, they are confident they can make that happen.

"Jimmy is a special player," Scheuerman said. "He can do it all."

The Spartans open their season on November 21st against the University of Michigan. It will be a tough test for Scheuerman and his teammates, but they are ready to face the challenge.

"We're excited for the season," Scheuerman said. "We know we have the talent to make it happen."
Missippi State Finally Steps Out of Rival's Shadow

Mississippi State College ran down the clock on the final play of the game for a 6-0 win over the University of Kentucky Saturday afternoon at Tallahassee, Fla. The win gave Mississippi State its first victory over Kentucky in seven tries.

The game also marked the first time Mississippi State has won a interstate athletic contest. The Bulldogs have had two wins over in-state schools, Tulane and Southern Mississippi.

The win came on a 42-yard field goal by placekicker Mike Riddle, who also kicked a 26-yarder.

Riddle, a junior, is the first Mississippi State kicker to score three field goals in a game.

Tennessee Claims Tech Touchdown Play Was Illegal

KNOXVILLE, Tenn. (AP) — Tennessee Coach Joe McDonald said Monday a touchdown Saturday night not only was illegal but violated a "professional agreement" among Southeastern Conference coaches.

Bobby Wade, Tennessee assistant coach, said a complete with LSU coaches before the game which prescribed the use of a four-man defense.

McDonald said it was illegal to use a four-man defense but the two coaches agreed to use a 4-3 defense.

"We don't consider it a professional agreement," Wade said.

Tennessee is 6-0 and has scored 34 touchdowns in six games.

McDonald said the rule that was broken was not the only one.

Cyclones' Vaughn Leads Big Eight in Rushing

AMES, Iowa (AP) — Iowa State guard Don Vaughn has taken over the Big Eight rushing lead after gaining 176 yards on 17 rushes for a total of 642 yards on 50 carries.

Vaughn now has a career mark of 1,144 rushing yards in 35 games, including 28 games he started.

The Cyclones hold a 2-0 lead in the series with Nebraska.

The Huskers have 176 rushing yards on 24 carries.

Motorcycles Stolen From Two Sulowans
Two motorcycles belonging to the Sulowans have been stolen.

David DeLellis reported his blue and white 1971 Honda motorcycle, stolen in Sulow's Gymnasium, was gone Monday afternoon.

The police were called to the shop at 2:30 p.m. Monday, and told that the shop would make it appear as if the owner had left the motorcycle.

DeLellis said he left the motorcycle outside the shop, and that the shop had been broken into.

Police said they were investigating the theft, and that the suspect had not been found.

Sulowans' Cars Collide Here
Two cars driven by Sulowans were involved in a collision in the Center Drive box area in Sulow's Gymnasium.

Charles W. Smith, 35, and Charles G. Brown, 27, were driving the cars, and were both taken to the hospital with minor injuries.

The accident occurred at 2:30 p.m., and the cars were badly damaged.

The police were called to the scene, and said the accident was caused by a lack of attention.

The Sulowans were not at the scene, and the police said they would investigate the accident further.

Flood Study Report Available by Mail
A report on the flood in the Sulow area is now available for purchase.

The report was published by the Department of Natural Resources, and is available for $5.00.

Readers can obtain the report by sending a check or money order to:
