Terrorists Blow TNT-Filled Taxi On Saigon Street

SARGOD, Pakistan - Terrors packed a taxi with 1,500 pounds of explosives, rammed it into a building in Saigon, a South Vietnamese government official said, killing 11 people and wounding 27 others.

The blast killed two people in the taxi, he said.

He said there were reports of a second blast in Saigon, but those reports were unsubstantiated.
Rockefeller was impressive

New York Gov. Nelson A. Rockefeller was very impressive at his appearance on campus yesterday. He discussed the student sit-in and the nature of the movement.

The Rockefeller party was well received by the students. The students were much more enthusiastic than they had been in previous shows.

The governor's address was the highlight of the evening. He spoke for nearly an hour, explaining the sit-in as a protest against the Vietnam War. Healso discussed the importance of the student movement and its potential impact on society.

The students were impressed with the governor's speech, which was delivered in a clear and concise manner. The governor's speech was well received by the students, who gave him a standing ovation at the conclusion of his remarks.

The governor's appearance was a major event for the university, which has been through a period of upheaval and change. The governor's visit was an important moment in the history of the university, and it was a testament to the power of a strong, principled leader.

The governor talked about the importance of leadership in times of crisis, and he encouraged the students to be leaders in their own communities. He also spoke about the importance of education and the need for a strong, well-supported university.

The governor's appearance was a fitting end to a day of activism on campus, and it was a fitting beginning to a new era of leadership at the university.

Black Friday For Iowa's Baseball

By John Hanson

Friday was a special day for Iowa baseball.

The local crowd turned out for the big game, which featured a star-studded lineup.

The game was a hard-fought battle, with both teams putting in a strong performance.

In the end, it was Iowa who emerged victorious, with a final score of 2-1.

Although the game was exciting, it was marred by a few incidents, including a physical altercation on the field.

Overall, it was a great day for Iowa baseball, and the team is looking forward to the rest of the season.
